**Item 1.02. Termination of Material Definitive Agreement.**

As previously disclosed, on October 18, 2013, Packaging Corporation of America (“PCA”) entered into a senior unsecured Credit Agreement (the “New PCA Credit Agreement”) with Bank of America, N.A., as administrative agent, and various other lenders providing for a total of \$1.65 billion in financing, consisting of a \$350,000,000 five year revolving credit facility, a \$650,000,000 five year term loan facility and a \$650,000,000 seven year term loan facility. The New PCA Credit Agreement and the summary thereof and the transactions contemplated thereby were previously filed and disclosed on PCA’s Current Report on Form 8-K filed on October 22, 2013 with the Securities and Exchange Commission (the “SEC”), which is incorporated by reference herein. The New PCA Credit Agreement replaced PCA’s old credit agreement, dated as of October 11, 2011 (the “Old Credit Agreement”), which was terminated at the time of the closing of the Boise acquisition. The Old Credit Agreement and the summary thereof and the transactions contemplated thereby were previously filed and disclosed on PCA’s Current Report on Form 8-K filed on October 12, 2011 with the SEC, which is incorporated by reference herein. In connection with the acquisition of Boise Inc. (“Boise”), as further discussed below in Item 2.01 of this Current Report on Form 8-K, PCA fully drew down the term loan facilities in an aggregate amount of \$1.3 billion at the time of the closing of the Boise acquisition.

**Item 2.01. Completion of Acquisition or Disposition of Assets.**

On October 25, 2013, PCA completed its acquisition of Boise. As previously disclosed, on September 16, 2013, PCA entered into an Agreement and Plan of Merger (the “Merger Agreement”) with Boise and Bee Acquisition Corporation, a wholly owned subsidiary of PCA (“Sub”).

Under the terms of the Merger Agreement, Sub commenced a tender offer on September 26, 2013 (the “Offer”) to acquire any and all of the outstanding shares of common stock, par value \$0.0001 per share (the “Shares”), of Boise at a price of \$12.55 in cash, without interest, per Share (the “Offer Price”), subject to the terms and conditions of the Merger Agreement. On October 25, 2013, PCA issued press releases announcing the expiration and successful completion of the Offer and the subsequent merger of Sub with and into Boise. Such press releases are filed herewith as Exhibits 99.1 and 99.2 and are incorporated by reference into this Item 2.01.

Each compensatory option to purchase Shares (each, a “Boise Option”) that was outstanding and unexercised was cancelled, and each holder thereof received cash consideration equal to the product obtained by multiplying (i) the total number of Shares previously subject to such Boise Option and (ii) the excess, if any, of the Offer Price over the exercise price per Share previously subject to such Boise Option, less any required withholding taxes. Boise restricted stock units and performance unit awards were also cashed out in accordance with the terms of the Merger Agreement.

PCA funded the consideration for the Shares, restricted stock units, options and performance unit awards acquired in the Offer and the Merger through a combination of cash on hand, the net proceeds from a previously disclosed notes offering and the New PCA Credit Agreement.

The Merger Agreement and the summary thereof and the transactions contemplated thereby were previously filed and disclosed on PCA's Current Report on Form 8-K filed on September 17, 2013 with the SEC, which is incorporated by reference herein.
